And straightway the aforesaid Chap presented himself at the home of Mr. Campbell and told his wife that Theo, had sent him for his new suit. The reader of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its forms, and that is the "Consumption" or "Tuberculosis." Cure is the only positive cure known to the medical fraternity. Cather being a constitutional disease requires a constitutional treatment. His method is to make the human interest, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength to resist the disease and to surmount it. The proprietors have so much faith in their cure that they offer One Hundred Dollars for any case that fails to cure. Send for list of testimoni.

# BRADLEY!

## Kentucky's Own Son for President.

### BRADLEY'S CURRENCY PLATFORM.

"I am opposed to the free and unlimited coinage of silver, believing it would destroy all National prosperity. The gold dollar is the best dollar, and I am in favor of making every other dollar equivalent to it in value. I am the friend of silver, and believe it can best be protected by holding its issue in such bounds as will insure its parity with gold as a circulating medium."—W. O. BRADLEY.

### REPUBLICAN CONVENTION.

The Republicans of Mason county are requested to meet in Convention at the Court House in Masonville on April 13th, 1868.—County Court Day—at 1 o'clock, P.M., for the selection of delegates to the Congressional Convention of the Ninth District, to be held in Mayville on Tuesday, April 14th, at 10 a.m. The purpose of the District Convention is to be held at the same time and place upon the adjournment of the Congressional Convention.

Also to select Delegates to the State Convention to be held in Louisville April 15th, 1868.

The District Convention is for the purpose of selecting two Delegates from the Ninth Congressional District to the State Convention, to be held in St. Louis June 16th. Every Republican is respectfully invited.

D. P. Oxt, Chairman.

Sam T. Hickman, Secretary.

The Democrats in one hundred townships and County Conventions in Missouri have indorsed the free coinage of silver at the ratio of 16 to 1.

The only free coinage measure likely to be adopted by the Republican National Convention will be the free and unlimited coinage of McKinley in at a ratio limited only by the capacity of the mills and the demands of the world.

At Cincinnati Monday one-fifth of all the real estate in Hamilton county will be sold for delinquent taxes. There's an evidence of "good old Democratic good times for you." Never before were so many people unable to pay their taxes.

The Carlisle Mercury says Governor BRADLEY ought to have received Kentucky's unanimous vote. Verily, Brother KELLOG, there are many things that ought to be that are not, and there are also many things that are not that ought to be.

The Kenton County delegation to the Sixth District Convention, although instructed by the County Convention to cast the county's 49 votes for Governor BRADLEY, delivered the goods to Major McKinley's managers. Who shall say now that Jim JEWELL is not a sage?

MARY ELLEN EDWARDS, the six-hundred-pound woman who was sent to the Cincinnati Workhouse by the Police Judge, was too big for the establishment. She could not get into the cell, the beds were not strong enough to hold her, the chairs broke when she tried to sit down, and all she could do was to sit or lay on the floor. The Police Board got rid of her by letting her go.

It is a safe remedy for Dyspepsia, Malaria, Rheumatism, Kidney and Liver Troubles, Biliousness. Female Complaints, Neuralgia, Weakness, Nervous Troubles, Headache or Neuralgia.

EX-GOVERNOR BOIES of Iowa says if a sound money Democrat is nominated for President by the National Convention in Chicago, it is probable that another Convention of silver Democrats will be held very soon after to name a National ticket. And so all the "Harmony" with a huge H is not confined to the Republican party.

It will be fortunate indeed if the vehemence of the McKinley managers in Kentucky does not result in driving many from the support of the gallant Ohioan if he shall be nominated at St. Louis. Governor BRADLEY should have had the unanimous vote of Kentucky, and after he was out of the way, if such a condition resulted, the entire Kentucky delegation would have gone to McKinley. Just now there are so many "strained relations" that the outcome is uncertain.

Naturally fair complexion would be the rule rather than the exception, as unfortunately the ladies are more inclined to seek the beauties of cosmetics and more generally keep the blood pure and vigorous than use of Aver's Saraparilla, the only reliable blood purifier.

Tales of Lynching.

BROWNSVILLE, Ky., April 11.—At a preliminary trial of the two men before Judge J. C. Dorsey, Charles Page, the Negro who is charged with the murder of James Doherty, a pedler, at Cloud, Ky., last Thursday, was remanded to jail to await the action of the grand jury.

The citizens in the community where the killing occurred are highly excited, and lynching is freely talked of.

Death Recalls a Black Crime.

BARDWELL, Ky., April 11.—Mrs. John Stewart, a widow, at her home in Bardwell. She was the mother of Mary and Ruby Ray, the two sisters who were murdered by Seay J. Louisville Cops Can't Belong to Political Organizations.

Louisville, Ky., April 11.—Chief of Police Taylor created a stamped and sealed order forbidding by an

order of the Board of Police Commissioners to any member of the police force to belong to any political organization.

The law, it is claimed, also applies to members of the fire department, who are prohibited from belonging to any department from belonging to any political society.

There are said to be quite a number of firemen who belong to the A. P. A., and this, it is claimed, is clearly against the law.

Bradley. It will be remembered that Moshely stole a mule and sold it for \$12.50. Robert Hall, who is in the penitentiary at present for the same offense, will likely be paroled Saturday. The police were unable to unearth a clew, and about 4:30 o'clock Friday morning a posse of men under the services of S. B. Moshely, Mr. Sand's attorney.

A messenger was sent to his house. Falling to arouse any of the family, he became suspicious that something was amiss, and forced an entrance, entering a bedroom, where he found the bodies of Moshely, his wife and three children. All five had been shot and had been dead for some hours. It is supposed that Moshely, after having been released Saturday, went to his home, shot his wife and three children and then committed suicide.

The motive for the tragedy has not yet developed. Sandis is not expected to live.
